**GOWN OF TAFFETA DESCRIBED  
BY BETTY BROWN**

Silver lace is used with artistic effect in this gown of pink taffeta designed by Mme. Marguerite of the Fashion Art League of America.

The flounce is of lace and the elbow sleeves and the upper part of the bodice are of the same filmy material.

The pink taffeta is brocaded in a mauve floral design; the foundation of the gown is in mauve color and mauve net veils the lace flounce.

**WOMAN SOCIALIST AS SCHOOL  
BOARD HEAD**

Mrs. V. Berger.

Milwaukee has placed its school system in the hands of a woman. Mrs. Victor Berger, once a teacher in the Milwaukee schools, is now school superintendent with a small army of teachers and children under her direction.

Mrs. Berger was a successful teacher and active clubwoman when she married Victor Berger, the Socialist leader, in 1897. She returned to school work when she was elected a member of the school board 10 years ago. She's the first woman socialist to head a school board in any large American city.
